SUBJECT: FRANCE SUPPORTS UNSCR ON THE FDLR

REF: STATE 16195

MFA DAS-equivalent for East and Central Africa Helene Le Gal said on February 19 that France would support a UNSC Resolution on the FDLR, as proposed reftel. She said that the French UN delegation would work with U.S. and other SC counterparts to "fine tune" the language. She said that she had been aware that such a project was in the works, and that France supported it and would work to see that an acceptable final draft is available for UNSC adoption.
